This Fundraiser is for Heather Stewart, USMC and Prince Johnson, USAF. Both Vets are transitioning to civilian life. Let’s help them get “there” for what they (and others) did for us. They are currently enrolled in the Combat Veterans to Careers Program, which helps them in virtually all aspects of their lives. They are on the road to achieving their goals for themselves and their families. They deserve a little help!

Donations for Heather & Prince will be greatly appreciated at the event or can be made with your registration (Register).
